### Hoppers Crossing Apex Club 2018 Community Grants Program

The Hoppers Crossing Apex Club will be offering individual grants of up to \$1,500 to assist organisations located within the City of Wyndham to complete a worthwhile project or asset purchase. The total amount of funds available in this grant program is \$5,000. Applications will open on the 1<sup>st</sup> of December 2017 and will close on the 31<sup>st</sup> of January 2018.

#### Criteria

- The maximum amount of money to be applied for in terms of any single grant is \$1,500. There is no minimum grant amount.
- A grant application could also consist of a request to the Hoppers Crossing Apex Club to contribute physical assistance towards the completion of a project. This may or may not include a need for a monetary contribution.
- Applicants who are themselves physically contributing to their project or have fundraised part of the monetary requirement towards their project or asset purchase will be looked upon favourably, however this is not a requirement.
- If your project would normally exceed the \$1,500 application limit purely due to commercial labour costs, please still apply as the Hoppers Crossing Apex Club teaming up with your organisation and us all 'getting our hands dirty' may be able to get the job done. Your application will be given due consideration.
- The project or asset purchase must be made by an incorporated entity.
- The project or the use of the asset must occur or be beneficial to those who reside within the City of Wyndham.
- Special consideration will be given to applications whose projects align with one or more of The Ideals of the Association of Apex Clubs
- The Hoppers Crossing Apex Club 2018 Community Grants Committee may ask the applicant to provide further information in relation to their project or asset purchase in order to assess their application.
- The project or asset purchase must be completed by the 30<sup>th</sup> of June 2018.
- Any applications not fully completed will not be assessed.
- Successful applicants will be notified by the 1<sup>st</sup> of March 2018.
